

Annex 1: Overseas Territories: Recent environmental projects with support from the UK Government (NB Italics = project still in progress)

ANGUILLA	* Lesser Antillean Iguana Conservation	£15,910	97/98
	+ <i>Anguilla Fisheries: Long-line Pilot Project</i>	£670,000	97/98
	D <i>Biodiversity Conservation and Protected Areas</i>	£83,000	99/01
BERMUDA	* Bermuda linkage to Convention on Biodiversity	£20,000	97/98
BAT	* <i>Resource Pack on Antarctica for Secondary Schools</i>	£23,228	98/99
BIOT	* <i>Turtle genetics research in Diego Garcia</i>	£25,000	98/99
BVI	* Anegada Rock Iguana	£28,940	98/99
	D <i>Integrating BVI National Parks, education & community development</i>	£116,000	98/00
CAYMAN Is	* Assess Caymans Wild Turtle Stocks	£8,650	97/98
	* Regional CITES Workshop in Grand Cayman June 98	£30,000	98/99
FALKLAND Is	* Falklands Ramsar Project	£12,050	97/98
	* <i>Falklands plant survey</i>	£17,300	98/99
	D <i>Falklands status and distribution of flora</i>	£33,000	99/01
GIBRALTAR	* Gibraltar – Rare Plant Propagation	£7,000	97/98
MONTSERRAT	* Biodiversity Project (moved to Caymans after eruptions)		pre-97
PITCAIRN Is	* <i>Pitcairn Reafforestation project</i>	£9,775	98/99
	+ <i>Rat eradication on Pitcairn</i>	£140,000	Sept 97/99
ST HELENA	* Land parcel for Diana's Peak National Park	£8,000	97/98
	* <i>Environmental Education in St Helena</i>	£7,400	98/99
	D <i>Ecology and conservation of Wirebird</i>	£89,000	98/00
*ASCENSION	* Control Mexican Mesquite Tree <i>Prosopis juliflora</i>	£460	97/98
	* Attempts at Rat and Cat eradication on Ascension	£29,923	97/98
	* Environment management plan for Ascension	£5,000	97/98
	D <i>Green Turtle status/eco-tourism plan</i>	£127,000	98/00
*TRISTAN	* <i>Research hut on Inaccessible Island (Tristan)</i>	£9,500	98/99
	D <i>Gough Island invertebrate diversity, endemism and threats from introduced species</i>	£127,000	99/02
SGSSI			
TCI	* TCI National Trust capacity building	£10,000	97/98
	* Underwater Dive and Snorkel Trails in TCI	£7,795	97/98
	* <i>Environmental Education in TCI</i>	£28,188	98/99
	+ <i>TCI Coastal Resources Management Project</i>	£985,000	Aug 98/01
	D Biodiversity Management around Ramsar site	£125,000	99/02
GENERAL (earlier)	D Support for NGOs in UK Overseas Territories (Round 1) D Rare Plants Training (Kew) for OTs and others (Round 3)		

Funding since May 1997 for 30 projects = £2,788,119 breakdown:

*= FCO Environment Command Programme Budget (CPB, FCO) £293,303 (21 projects, av £13,970)

D= Darwin Initiative of DETR £689,000 (7 projects, av £98,500)

+ = support from DfID £1,795,000 (3 projects, av £598,300)

Annex 2: Numbers of RDB species in each territory

These tables are compiled from the three IUCN red data books. Not all territories have been tabulated in each case as the summary data are not available.

Plants (other than trees)

	Ex	EX/E	E	V	R	I	Total no. threatened	No. species	% threatened
Bermuda	3		5		5		10	167	6
British Indian Ocean Territory						1	0	101	0
British Virgin Islands			4	3	6	1	13		
Cayman Islands		1	6	2	2	2	11	539	2
Falkland Islands			2		4		6	165	4
Gibraltar				3	1		4		
Montserrat			1		1		2	671	0.3
Pitcairn Islands			2	11		1	13	76	17
St Helena	11	3	22	2	27	14	54	165	33
Turks and Caicos					2		2	448	0.4
